EXPLORE MALAYSIA

SHORT TERM MOBILITY PROGRAMME

SUMMER PROGRAMME
14 JUNE - 11 JULY 2025

Tunku Abdul Rahman University of Management and Technology ('TAR UMT') was established in 1969, with the focus of providing tertiary education opportunities for young Malaysian in meeting the rising demand for human capital from businesses and industries.

TAR UMT started with a single campus in Setapak, Kuala Lumpur which is now the main campus. Subsequently, five branch campuses were established in Penang, Perak, Johor, Pahang and Sabah. TAR UMT has a student population of over 32,000 including international students from more than 20 countries enrolling in close to 200 programmes over a wide range of disciplines.

DISCOVER MALAYSIA

WHERE ADVENTURE MEETS CULTURE

A TAPESTRY OF CULTURE

Join us on a 28-day immersive journey through Malaysia's vibrant culture, history, and natural landscapes. This program combines hands-on workshops, language classes, and field visits to give students an authentic experience of Malaysian life with a rich blend of cultural, historical, and natural experiences

Workshops and Classes include Bahasa Malaysia language sessions, cultural studies, and traditional arts like batik painting.

HIGHLIGHTS OF THE JOURNEY:

Kuala Lumpur: The journey begins in the capital, where students visit iconic sites such as the Petronas Twin Towers and Batu Caves, providing a glimpse into Malaysia's urban development and cultural heritage.

Putrajaya: Known for its blend of modern architecture and nature, students will visit the Putra Mosque and Putrajaya Lake, exploring Malaysia's administrative capital and its carefully planned layout.

Malacca: A UNESCO World Heritage Site, Malacca offers insights into Malaysia's colonial past. Visits to A Famosa and St. Paul's Church reveal the historical influence of Portuguese and Dutch settlements.

Ipoh: Known for its colonial architecture, charming old town, and local delicacies, Ipoh introduces students to Perak's unique heritage. Highlights include Ipoh's historic buildings, reflecting a blend of history and local culture.

Gua Tempurung: This large limestone cave system near Ipoh provides students with an adventure into Malaysia's natural landscape. Known for its impressive stalactites and stalagmites, Gua Tempurung offers a hands-on experience of Malaysia's geological wonders.

Penang: In Penang, students explore the multicultural essence of George Town, a UNESCO site known for its colorful street art, traditional architecture, and culinary diversity.

This itinerary gives students a well-rounded experience of Malaysia's capital cities, colonial heritage, and natural landscapes, deepening their understanding of the country's cultural diversity and natural beauty.

Explore, learn, and connect with Malaysia in this enriching summer program!
